

QUALITY COORDINATOR

Portland, Victoria

Portland District Health is seeking a highly skilled and motivated health professional to undertake this challenging role. This position reports to the Director Corporate Services and will provide leadership and direction to Managers in the planning, implementation and monitoring of quality improvement programs ensuring that appropriate programs are implemented to achieve high quality care and service at Portland District Health.

Essential Criteria:

- A Registered Nurse Division 1 holding current AHPRA registration.
- A minimum of five years post-graduate nursing experience in a senior management level.
- A demonstrated commitment to understanding and promoting quality and risk management principles.
- A clear working knowledge of a systems approach to managing Quality and Risk Management.
- Demonstrated understanding of accreditation processes, in particular the ACHS (Equip) Program, Aged Care and HACCC Standards.

Portland District Health, is situated on the southwest coast of Victoria located half way between Adelaide and Melbourne. It is an integrated health facility with a commitment to excellence and is seeking to be the best small health service in regional Victoria.

A competitive remuneration package will be negotiated in accordance with qualifications and experience.
